Skypad custom manufactured products for
C. Baldwin hotel, Curio Collection by Hilton.

Designed By: ROHE Creative
Purchased By: The Parker Company

PUBLIC AREA LOBBY BAR

Bold and Soulful, the C. Baldwin Curio Collection hotel delivers a special experience in the heart of Houston's financial district. Named after the 'mother of Houston', Charlotte Baldwin, this hotel is a destination that blends hospitality, community and cuisine. The hotel's guestrooms and public

areas are filled with stylish décor infused with a mid-century-style and complemented by a combination of geometric and organic furnishing designed by ROHE creative. Skypad's custom-fabricated casegoods and seating are unmistakable and apparent throughout the restaurants and public areas.

41

A modern lounge interior featuring curved, light-colored leather seating along a wall. The space is illuminated by large, spherical pendant lights. Large green plants are visible in the foreground and background, adding a natural touch to the design. The overall aesthetic is clean, contemporary, and inviting.
